

Hi! I'm Mrs. Lam. I will be your new G&T teacher. I am looking forward to getting to know you all a little more before we return to school. Your assignment for the next 2 weeks is to create a Google Slides presentation about yourself. You can choose any format, colors, and fonts that you like, as long as it is legible and clear. Please make a slide for each question and follow all directions. I will share an example with you with my answers also! Please remember to answer in complete sentences. I am looking forward to getting to know you all!

1. What is your name? Choose a cool font for your name!
2. How old are you? Change the size of the font to your age!
3. How many people are in your family? What are their names? What is your favorite thing to learn about?
4. What is your favorite color? Change the font to that color!
5. What is your favorite book? Place a picture.
6. What is your favorite hobby? Place a picture.
7. What is your favorite food? Place a picture.
8. If you could choose something to do in G&T that interests you and that you want to learn more about what would it be? Why?
9. Is there anything else you want me to know about you?
10. If you can, take a picture of yourself and place it on a slide! You can add pictures of your family, pets, or anything else you would like me to see! I am looking forward to meeting you all in person when we get back to school!

*4th Graders- you may also continue to work on your business project presentations. I will be sending more information in the coming weeks to you about this!
