

Weeks of March 23th & March 30

2nd Grade:

Objective: Students will complete a Google Doc introducing themselves to me. They will demonstrate their ability to use Google Docs and some of its features.

Instructional Activities.

- Students will join the Google Classroom and will complete the activities as laid out on the Google Doc to introduce themselves to me. Skills covered will be copy and pasting a picture or clipart, changing font, changing colors, and typing skills.

3rd Grade and 4th Grade:

Objective: Students will complete a Google Slides Presentation introducing themselves to me. They will demonstrate their ability to use Google Slides and some of its features.

Instructional Activities.

- Students will join the Google Classroom and will complete the activities as laid out on the posted assignment to introduce themselves to me. Skills covered will be choosing a Google Slides layout, copy and pasting a picture or clipart, changing font, changing colors, and typing skills.

**All assignments have been posted on Google Classroom for students to complete and submit by Friday April 3.
