---------------------------------------	-----------------------------	---	---	---------------------------------	---

- Question of the Day: Should be relevant to the current study and investigation students are working on. Answers to the question of the day can be documented by families on a log.
- Learning Activities/Creative Curriculum Intentional Teaching Card- Teachers will assign at least one activity daily. Activities should be relevant to the study and aligned with Preschool Early Learning Standards. Use the Shared Family Resources from TeachingStrategies.com or create directions from ITC. **Activities should not be dittos/worksheets.**
- Read Aloud- Teachers will assign one book to be read multiple times for a read aloud. Books must be able to be accessed online. Teachers will provide links.
- Children should practice writing their name daily.
- Parents can take a picture and share the documentation with teachers.
- Children are encouraged to participate in a 15-30 minute gross motor activity daily. Activity examples include: *Simon Says*, *Follow the Leader*.
